

Welcome to RSP Supply Education Channel

[0m:0s] Hi I'm Tom Smith, founder of RSP supply. Welcome to our education channel.

[0m:8s] We are a distributor of industrial hardware and our goal is to be your best resource by giving you all the necessary information and tools you need to succeed in the industrial world, whether it's by offering free education specialized for industry,

[0m:24s] free technical support, along with help for your projects, or even using our site, which provides tools to streamline the bidding and buying process.

[0m:33s] We want you to succeed, and ultimately, we want to be your supplier.

[0m:37s] These education videos you are about to watch are different from anything else you've ever seen and here's why.

[0m:44s] We want to teach you from the ground up, so you understand more than just what to do. But why.

[0m:49s] We are going to be offering a series of videos, so you can get a comprehensive understanding of each topic.

[0m:56s] To understand the why we will have a knowledge series that explains how things work from the basics, all the way to the advanced. Our guide series will be a step by step instruction on how to do things. Our must know series will be list of the most important things you must know in all things industrial.

[1m:18s] We are so excited to bring you our tips and tricks series which are tips from the pros with years of experience in the industry. So, I hope you enjoy the videos and visit our site. Also, feel free to send us suggestions on how we can improve or other topics you would like us to talk about.

[1m:36s] Thanks for watching and enjoy.
