

Product Specifications

Roof Mastic (10.5 oz)

Part Number RKM10

Category Number 6210

UPC 781002109204

Roof Mastic is a smooth mastic that adheres to most wet or dry surfaces. It used on flashings around skylights, gutters, and crevices and can be used for repairing leaks, cracked spots, and holes in shingles. It is fortified with Power Gel Technology so it will not sag, slip, or crack and will remain resilient through all seasons.

Physical Characteristics

Type	Roof Mastic
Size	10 oz
Color	Black

Packaging Details

Standard Qty	1
Master Qty	12
Price Per	1
