Wire-wrap label, Roll, white, unlabeled, can be labeled with: THERMOMARK E.WRAP, THERMOMARK E.300 (D)/600 (D), mounting type: adhesive, cable diameter range: 4 ... 8.1 mm, Number of individual labels: 4000, text field height: 12.7 mm, text field width: 50.8 mm

Product description

The self-laminating wrap-around labels in the E-WML... product family are designed for automated processing with the THERMOMARK E.WRAP applicator. After the printing and applying process, the markers adhere to the cable at a permanently defined position and the protective laminate protects the markers against dirt and abrasion. As the labels wrap tightly around the wires, they do not create any additional volume, so the wires can also be pulled through cable ducts, for example.

Your advantages

- · For indoor and outdoor applications: high resistance to dirt and abrasion due to the protective laminate
- · Firmly defined positioning of labels thanks to the adhesive system
- · Broad diameter range with many different applications inside and outside the control cabinet
- The wrap-around labels do not create any additional volume, so the cable can also be pulled through cable ducts, for example
- · Tight, bubble-free fit on the cable thanks to automatic winding
- · For cylindrical objects, single wires, and cables

Commercial data

Item number	1199676
Packing unit	1 pc
Minimum order quantity	1 pc
Sales key	BG15
Product key	BG2311
GTIN	4063151262839
Weight per piece (including packing)	1,659.3 g
Weight per piece (excluding packing)	1,517.2 g
Customs tariff number	39191012
Country of origin	FR
