CCC-Exempt Declaration

As we know, CCC certification is mandatory in China for defined products, and CNCA is the responsible committee for the definition of CCC application range. So please visit the website below for the latest bulletin (No. 45 of year 2014) of CNCA for CCC:

http://www.cnca.gov.cn/xxgk/ggxx/2014/201512/t20151230_44252.shtml

Description of product, product group or product family

Description of product function:

Marking material (markers, labels and carrier) for industrial application made of metal or plastic materials. The main function of marking materials is serving as an accessory for printers in industrial applications.

Reason why CCC certification is not required:

According to the annex of bulletin (No. 45 of year 2014) of CNCA, labels and markers are not covered in CCC categories.

So, we can have a conclusion that CCC is not required for the above products.
