Industrial Lighting

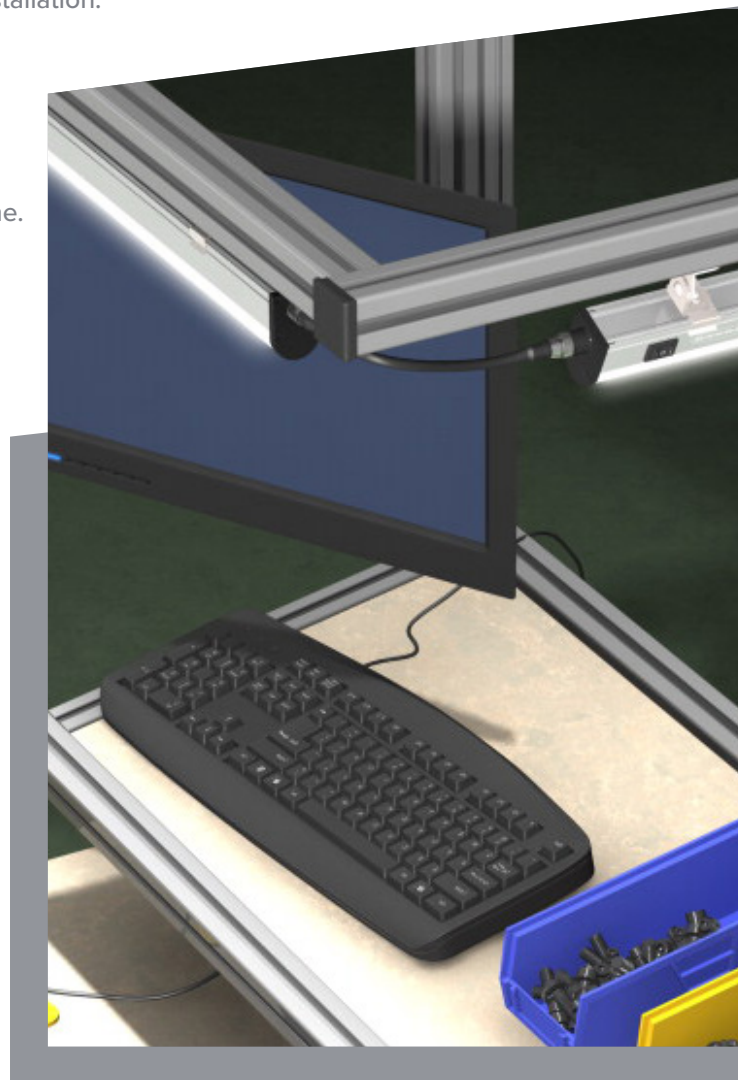

TSLOTS Guarding System

Workstation Illumination

TSLOTS Industrial Light Bar, utilizes advanced LED lighting technology providing high-quality and maintenance-free industrial lighting solutions that will last for years.

Benefits

- High brightness with an even light output for a no-glare glow.
- Eye shields to eliminate visual strain and glare.
- Robust metal housing, shatterproof light cover and easy installation.
- Ideal for work stations, machine lighting, control cabinets and manufacturing lines.
- We offer our LED Lights in 2', 3' and 4' lengths.
- Lights are easy to install onto TSLOTS extrusions.
- Improves visibility and safety in a workplace or on a machine.
- In stock for immediate shipping.
- 2' light provides 1300 lumens
- 3' light provides 1950 lumens
- 4' light provides 2600 lumens

CONCEPT

TSLOTS uses pre-fabricated panels of varying widths and heights that quickly link together to create a custom guarding solution.

ADVANTAGES

Short Lead Times

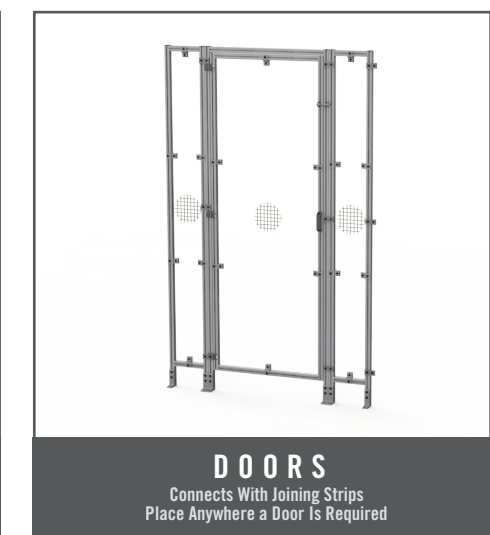

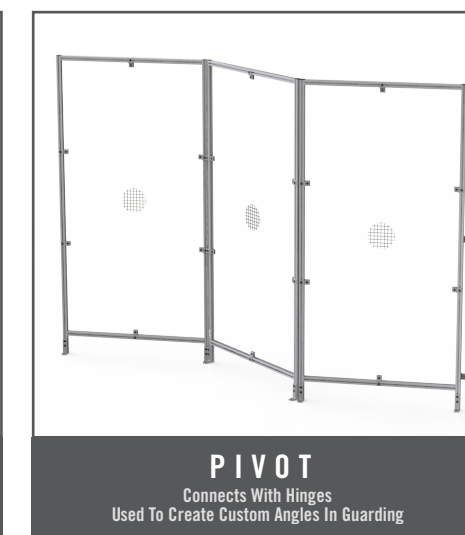

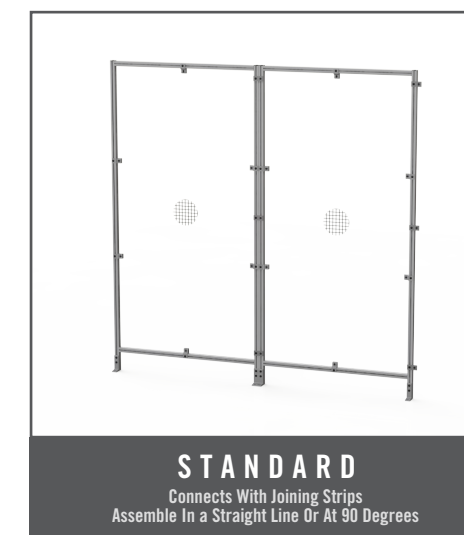

Pre-fabricated panels will allow you to minimize engineering and design time.

Modular

Need to modify or add something to the guarding? Simply order the additional parts and install as needed on-site

Easy Assembly And Installation

The panels arrive assembled and ready to connect to each other. Simply link them together and fasten to the floor.

MADE WITH TSLOTS MATERIALS

WHAT DO YOU WANT TO BUILD TODAY?

Direct from the Extruder

TSLOTS come directly from us — the extruder: Bonnell Aluminum. In fact, TSLOTS are the only t-slotted aluminum extrusion actually sold by the people who make the product.

Show Us what you've built

We want to see what you have built with TSLOTS! Visit our website www.tslots.com and upload a picture. We will feature it in our web gallery and send you a free TSLOTS T-Shirt!
