2. Technical changes

1. In the old version of the LP 7.xx, the marked lettering is removed.
2. In the new version of the LP 7.xx, approval marks are added to the first pole and the product identifier to the second/third pole.

3. Availability

With this letter we inform you that the change will be implemented to the production in April 2023. There is no stock adjustment. Therefore, within a delivery from this date, mixing of variants may occur, but not in one packaging unit.

4. Affected parts

A list of the affected articles can be found in the attachment.

5. Data

Except for the geometry, all technical data and functional features will not be affected by this change. Detailed information on the technical data can be found for the products in the online catalog.

We are very sorry for all the inconveniences caused and doing everything to adjust this product change as smooth as possible without big influence on delivery times and general functions.

For further questions please contact your sales office directly. All contacts for sales representatives are available here: <http://www.weidmueller.com/contact>

Weidmüller will see this notification as accepted unless a separate procedure is requested in writing within 30 days of the issue date.

Best regards
